

Address of Zhongxinbo photovoltaic bracket manufacturer

We are direct manufacturers of brackets, systems, and structures for photovoltaic and solar panels: this allows us to create tailor-made solutions based on the specific needs of each customer. We also offer the design of complex systems, especially in industrial settings, guiding the customer from the initial design to the final installation.

Jiangyin Haihong New Energy Technology Co., Ltd. is a manufacturer specializing in the design and production of solar mounting system. Established in 2011, the company is located in Jiangyin City, Jiangsu Province with nearly ...

Brackets, flat roof brackets, floor all-aluminum brackets, aluminum alloy column brackets and other products. Bracket products cover the fields of civil, commercial and large-scale photovoltaic power plants. In addition, we provide customized product solutions and OEM services to address the special needs of our customers at home and abroad.

Zhongxinbo New Energy Technology (Suzhou) Co.,Ltd (hereinafter referred to as "Zhongxinbo") specializes in design, produce and service of solar mounting system .

In summary, as an outstanding manufacturer of PV brackets, CHIKO Solar has made a certain contribution to the development of renewable energy with its high-quality products and technological innovation. PV brackets not only bear the responsibility of solar power systems, but also serve as an important force driving the renewable energy ...
