What is outdoor battery enclosure?

The outdoor battery enclosure is a housing, cabinet, or box that can be used outdoors and specifically designed to store or isolate the battery and all its accessories from the external environment. Outdoor battery enclosures keep your batteries safe from weather and safe from theft.

What is an energy storage enclosure?

Our energy storage enclosures are designed to maintain the optimum ambient temperature for your batteries. Whether you need a liquid-cooled or air-cooled system, we'll design the best solution with you. Lifting an unbalanced enclosure is a health and safety hazard, especially when full of heavy batteries.

Can Amcanu enclosures be galvanised?

Any Amcanu enclosure can be galvanised. We can galvanise entire enclosures to give the most robust finish, or just protect critical parts that are most prone to wear or accidental damage. Our battery storage enclosures will keep your battery energy storage system (BESS) protected from the elements.
