

Can I buy plastic lockers

Are there plastic lockers available?

There are plastic locking options available for both dry and wet areas with our coin return locks. Our Fortis Lockers come in a variety of sizes. This is to ensure there is a storage solution for everybody and all industries. Small plastic lockers are ideal for primary schools or children's swimming pools.

Are plastic lockers good for outdoor use?

Thanks to their tough polyethylene construction, our Plastic lockers provide a durable, vandal-resistant and hygienic storage solution. These hard-wearing lockers come with a long guarantee and are suitable for outdoor use due to their weather resistant materials and construction.

Why do you need a small plastic locker?

This is to ensure there is a storage solution for everybody and all industries. Small plastic lockers are ideal for primary schools or children's swimming pools. The great news is that you can stack each of these on top of one another. This means you can nest our small Lockers so that they become suitable in higher education too.

Where are plastic Lockers made?

Our Plastic Lockers lockers are manufactured in the UK and are positively packed with innovative features, they are available in various door configurations as well as a low level options. Sloping tops, various lock options and plastic stands are also available.

Are plastic lockers better than wood lockers?

Although these lockers can often come with a higher up-front cost, the cost over time of plastic lockers tends to be the lowest. This is due to them being rust, corrosion, and water-resistant. This durable option will also tend to last you the longest, as typically metal lockers will rust and wood lockers are prone to water damage.

Can small plastic lockers be used in higher education?

Small plastic lockers are ideal for primary schools or children's swimming pools. The great news is that you can stack each of these on top of one another. This means you can nest our small Lockers so that they become suitable in higher education too. 450, 600 & 900 Choose from 3 available heights and create your own look.
