Can the bj40 trunk storage box be removed

Rear seats remain functional, and can be used independently, though I opted to leave the left ones out to gain much more storage underneath. Total top platform length is 72.5". Purposely made it this length so I can with ...

This 48L capacity large plastic box is brilliant versatile general storage box.& nbsp; The lid is multi-functional as it can be removed completely or it can be used as hinged.& nbsp; The different colours allow this storage box to be used in& nbsp;many environments. The black boxes are often used by businesses and the brighter boxes are perfect for schools or general home ...

@Schulz1983 they are a bit different though: they offer you two levels of storage (with a removable insert bin) and looks like a cutout on the one side for a fire extinguisher. I'm not saying it's better or worse than the Tesla-branded bins, just different. (Note: I don't use either, and we like having the side bins open for the odd small loose item(s).)
