

Direct purchase of photovoltaic panels

Do you offer solar panels for sale in the UK?

Since 2010, our friendly UK team have helped tens of thousands of people install the right Solar PV system, and we are keen to support you today and offer PV solar panels for sale. PV Solar Panels generate emission-free, clean electricity every day of the year in the UK and can vastly reduce your energy bills.

Where can I buy solar panels?

Buy PV Direct supply most major panel manufacturers including Perlight Solar and Jinko, inverter and battery storage systems including Growatt and Solax and EV Charging systems including Zappi. Project EV and MyEnergi. We supply premium quality solar products for residential, commercial, industrial and utility projects nationwide.

How much solar energy does a detached UK home use?

An average detached UK home may have a 4kW solar system consisting of 10 x 400 kW PV Solar panels generating 3,400 kWh per annum. This is circa 17% higher than the Ofgem stated usage of 2,900 kWh for the same property.

Is solar PV a good investment?

Solar PV is now 85% cheaper than in 2010 and VAT free. With a 25-year or more life span it represents a great investment, giving free Solar PV electricity and can save you money every day. It also moves you away from buying energy from fossil fuels to generating your own clean renewable energy for free.

Why should you buy a solar panel subscription?

Thanks to the Smart Export Guarantee, you can sell surplus energy generated by your solar panel system back to the grid. Finally, if you prefer to invest in photovoltaics without any upfront cost, our solar panel subscription (Subscribe To Own) is ideal for you. High-quality solar panels for the home.

How many solar panels are installed worldwide?

With over 800,000 solar panels installed worldwide, 217,500,000 kWh of renewable solar energy generated per year by our clients, and an 8.6 rating thanks to our customers - you can rest assured you've chosen the right solar install specialists for your green energy needs! We strive to make solar energy accessible to all UK residents.

Solar Trade Sales wholesale distributors of solar PV panels, solar PV inverters, and solar PV mounting systems. Trade prices, full system design and UK delivery. 01473 276685 Open 8:00am-5:00pm Mon to Fri

Our ready-to-install PV solar panel bundle kits offer great value and contain everything you need, including solar panels, inverter and mounting brackets. We also can help with bespoke kit designs, our highly trained renewable energy specialists are here to advise you on the right solutions for your needs. Contact us for more
