

Home Solar Generator Scam

What is a solar energy scam?

The scams vary, but here's the gist: someone claiming to be with the government or your utility company promises big savings on your utility bills from solar energy or other home improvements designed to increase energy efficiency. If you agree to the scammer's offer, it could cost you tens of thousands of dollars.

Are free solar panels a scam?

Know that "free" or "no cost" solar panel offers are scams. The federal government does not install solar systems in homes for free. If you're considering whether solar energy is right for you, check out the Department of Energy's guide for homeowners and learn more. Or check out the Department of Treasury's guidance on clean energy.

How do you identify a solar panel company to avoid scams?

These tactics may include persistent calls, scare tactics, door-to-door visits, or making unfounded claims about solar benefits. Companies employing such methods prioritize sales over delivering quality service. These are the red flags to identify solar panel companies to avoid scams. Are solar panel scams common in Florida and California?

Solar panel scams in Florida and California are quite common, as they are in any region where solar energy is popular and incentives are provided. Scammers take advantage of people's limited knowledge about solar systems, providing misleading information that makes it hard for victims to recognize the scam.

What are the most common solar scams?

Here are some common scams to be aware of: 1. Fake Solar Companies Some scammers create fake solar companies, selling solar panel systems without any intention of installing them. They may ask for a big upfront payment and then vanish without doing any work. 2. Identity Theft Scams

What are energy scams?

Energy scams involve people pretending to be energy companies or regulators to get your money or personal information. These scammers may pretend to be your energy company, say they're from Ofgem or even from Energy Saving Trust to try and gain your trust.
