

How long can the lockers be placed in the mall

What is a storage locker & how does it work?

Storage lockers in stores, supermarkets, and shopping and entertainment centers allow the customer to store their belongings safely while visiting the store or mall. This increases the customer's stay time in the store, which in turn boosts sales.

How many smart lockers are there in the world?

With over 16,000 systems nationwide, there is a smart locker for every 2,375 residents in the country. Other countries, like China, boast similar success in the deployment of smart lockers. But not all smart lockers are specifically designed for parcel delivery. Worldwide, smart parcel lockers account for less than 40% of all installed systems.

Are smart lockers a good idea?

This is only one of the dozens of potential ways smart lockers receive and store parcels securely. RFID and Bluetooth technology are also becoming popular communication methods with smart lockers. In addition, more advanced systems, such as facial recognition, are coming online for smart lockers storing high-value or restricted items.

Why should you install Automatic lockers in your store?

Automatic lockers installed in a supermarket, shopping or entertainment center will allow your store to increase the time spent by the client in the sales area by 30%, which means increase sales of goods and services.

Are all smart lockers designed for parcel delivery?

But not all smart lockers are specifically designed for parcel delivery. Worldwide, smart parcel lockers account for less than 40% of all installed systems. Combined, laundry, fresh food, and modular smart lockers make up most smart lockers currently installed across the globe.

Can retailers sell advertising space on smart lockers?

Additionally, retailers are selling advertising space on their smart lockers to brands that they carry in their stores. For example, a pet store can offset some of the smart locker's cost by selling advertising space to a major pet food brand. Branding isn't restricted to retailers and brands either.
