

JinkoSolar Photovoltaic Panel Official Website

Who is Jinko Solar?

JinkoSolar serves more than 180 countries, is a global leader in photovoltaic sales, and pioneers "vertical integration" in production. JinkoSolar owns 14 globalized manufacturing bases. JinkoSolar actively shapes industry standards, contributes to international frameworks, and promotes diverse applications of photovoltaic technology.

Where are JinkoSolar solar panels manufactured?

JinkoSolar solar panels are manufactured in Jacksonville, Florida, at their solar panel manufacturing facility. They are particularly popular for the "Eagle" series of American-made solar panels. JinkoSolar panels are increasingly popular in quotes to solar shoppers comparing their options on the EnergySage Solar Marketplace.

How many employees does Jinko Solar have?

JinkoSolar has over 57,000 employees across 14 production sites and 3 overseas sites. Jinko Solar Co., Ltd. (referred to as "JinkoSolar", NYSE: JKS) is a global solar technology leader, excelling in integrated research, development, and manufacturing of photovoltaic products.

What are Jinko Solar panels?

It's TR technology and half-cell aims to eliminate the cell gap to increase module efficiency (mono-facial up to 21.6%). Jinko solar panels come with a 12-year product warranty and a 25-year linear power warranty. Product Specifications:

What does JinkoSolar do?

JinkoSolar specializes in integrated research, development, and manufacturing of photovoltaic products, as well as providing comprehensive clean energy solutions. They lead in sales in the global mainstream photovoltaic market. Their products serve over 180 countries and regions worldwide, catering to more than 3,000 customers.

Why should you choose JinkoSolar solar panels?

As you begin the process of selecting solar panels, insist on reliable, performance-proven EAGLE® Modules and EAGLE® Storage from JinkoSolar. Home and business owners add solar and energy storage to save on electricity bills, cut operating costs, and lock in energy rates.
