Cheap Lockers doesn't mean poor quality at Lockertek; most lockers included within this category are under £100 a unit and usually come with Locker Cam Locks or Locker Hasp Locks fitted, to keep costs down but still ensure a form of safety. The quality of the lockers is no different from the other lockers we sell, it just means that lock choices are lower-level security as opposed to ...

The Anytime Locker can be installed indoors or outdoors. It's made from stainless steel to reduce rust, and features silicon strips for water resistance. Each locker has a rainfold to protect items inside. Each console unit has 13 lockers as standard, to which extensions can be added with either 13 or 25 additional lockers.

Lockers in schools serve several important purposes. Here are some reasons why schools have Lockers:
Organisation: Lockers provide students with a designated place to store their books, folders, backpacks, and personal belongings. This helps keep the school environment organised and free from clutter.
Security: Lockers also provide a secure place for students to ...
