

Logo on LONGi photovoltaic panels

What is Longi in solar panels?

Longi is a world leading manufacturer of high efficiency monocrystalline solar panels. Founded in 2000, Longi has focused on p-mono for 19 years and is the largest supplier of monocrystalline products in the world today.

How long do LONGi Solar panels last?

The performance guarantee for standard panels is 25 years, with 30 years for bi-facial. The LONGi Solar philosophy is to gain the maximum from solar energy to build a green world. Today, LONGi is part of a community of world-leading producers of monocrystalline silicon panels.

Who is Longi Green Energy Technology?

LONGi Green Energy Technology Co., Ltd. manufactures and sells photovoltaic products and solutions worldwide. It offers mono ingots, monocrystalline silicon wafers, monocrystalline silicon cells and modules, distributed power stations, and ground power system solutions.

How does Longi produce solar panels?

LONGi owns most steps in the vertical supply chain to produce a solar panel including producing ingots, silicon wafers and solar cells. This strategy enables them to keep greater control over the supply and quality of each step of the process.

Does LONGi Solar offer a warranty?

Contact us LONGi Solar provides a 12-year extended product guarantee for all panels. The performance guarantee for standard panels is 25 years, with 30 years for bi-facial. The LONGi Solar philosophy is to gain the maximum from solar energy to build a green world.

Why should you choose LONGi Solar modules?

Our solar modules help accelerate the clean energy transition, making the world healthier and more sustainable. LONGi's technological and manufacturing leadership in solar wafers, cells and modules underscores our commitment to helping accelerate the clean energy transition.

Para impulsar al mundo hacia un futuro con bajas emisiones de carbono, LONGi distribuye sus paneles solares, de probada confiabilidad y alto rendimiento, en seis continentes y 85 países y regiones.

L'entreprise LONGi s'engage à fournir des produits et des solutions innovants qui contribuent à faire du monde un endroit plus sain, plus sûr et plus durable. Nous accordons une grande importance à notre rôle dans le monde économique et nous respectons notre obligation de nous conformer aux normes les plus strictes en matière de gouvernance environnementale, sociale et ...

Photovoltaic panels 585W - Longi Hi-MO 6 Explorer LR5-72HTH 560-585M-V03 UT The Longi Hi-MO 6

Logo on LONGi photovoltaic panels

Explorer LR5-72HTH 560-585M-V03 UT photovoltaic panel is a high-performance solar panel that offers exceptional efficiency, reliability, and durability. It is a product of Longi, one of the world's largest solar cell and module manufacturers, known for their advanced technology and ...

Order individually or as part of a solar panel bundle. Longi 435W Full Black Solar Panels are ideal for domestic installations. Order individually or as part of a solar panel bundle. ... Longi Solar. Panel Colour All Black. Panel Type P-type. Glass Single Glass. Bifaciality Monofacial. Panel Size 1722 x 1134 x 30 mm. Product Warranty 15 Years ...

Longi is our most requested brand for projects where financing is involved. Longi's bankability, reputation, quality, and service guarantees that our clients will be pleased with their purchase and get the funds needed to complete their projects without issue. ... Solar Panel Omnis Power Europe - NORDIKA NT5 OP560-580M72-NT5-BF S From EUR0.113 ...

Power: 370W Longi Solar Panels. Finish: A Longi Black Spilt-Cell panel with a white backsheet. Cell Type: Monocrystalline. Number Of Cells: 120 Solar Cells. Maximum Efficiency: 20.3% Module Efficiency. Technology: A high efficient ...

With a brand positioning of "The most trusted, reliable solar company that blazes the trail for green technology,"LONGi has dedicated itself to technology innovation and established five business sectors, covering mono-crystalline silicon wafers, mono-crystalline silicon cells/ mono-crystalline silicon modules, distributed photovoltaic solutions, utility plant system solutions and ...

LONGi Solar is a Tier 1 manufacturer of solar panels renowned for its monocrystalline technologies and the latest innovations. LONGi was incorporated in 2000 and has focused ...

LONGi Green Energy Technology Co., Ltd. manufactures and sells photovoltaic products and solutions worldwide. It offers mono ingots, monocrystalline silicon wafers, monocrystalline silicon cells and modules, distributed power stations, ...

LONGi R& D Centers. LONGi has three R& D centers for wafers, cells, and modules and certified as national enterprise technology centers. We have established strategic partnerships with research institutes such as the ...

The LONGi 605W Bifacial Solar Panel is a game-changer for solar energy production. Its innovative design allows it to capture sunlight from both sides, significantly increasing energy yield. I was impressed by the quality of the panel and the included 1400mm cables, which made installation straightforward.

Since 2015, LONGi has located its operations in Kuching, Malaysia, to utilize the abundant local hydropower resources to provide clean energy for its facilities. LONGi plans to integrate solar power plants with pumped storage in areas that feature significant elevation differences and abundant sunlight, creating an industrial model for using solar.

Logo on LONGi photovoltaic panels

Collaboration between Solarity and LONGi Solar is based on professionalism focused on a pro-client approach. We support your plans by helping you accomplish them thanks to our extensive warehouse stock. LONGi Solar photovoltaic panels can be delivered to you anywhere in the world with our reliable and prompt transport services. We will provide ...

LONGi's technological and manufacturing leadership in solar wafers, cells and modules underscores our commitment to helping accelerate the clean energy transition. By offering high ...

Also Read: 11 Major Factors Affecting Solar Panel Efficiency Jinko Vs Longi Capacity or Jinko Vs Longi Output. Moving on to Jinko vs Longi capacity, the term solar panel capacity refers to the maximum amount of electricity that the solar panel system can produce under ideal circumstances. This is commonly referred to as rated output or rated capacity, and ...

LONGi stabilisce un nuovo record mondiale del 27,09% per l'efficienza delle celle solari HBC (Heterojunction Back-Contact) al silicio ... Durante la sesta edizione della China International PV Industry Conference (Chengdu, Cina, 13-16 novembre 2023), Martin Green, professore dell'Università del Nuovo Galles del Sud, Australia, ha condiviso la ...

The LONGi Hi-MO 5 solar panel series is also compliant with the IEC 61730, IEC 62941, and UL 61730 certifications. The modules also include an IEC Class C fire resistance under the UL Type 29 certification. Additionally, the LONGi Hi-MO 5 PV modules are resilient against LID as a result of the implementation of gallium for the P-type doping. ...

Explore our comprehensive solutions in solar panel technology. Whatsapp: +86-13405537396. Call us: +86-13405537396. Mail us: Sofia@longinewenergy Longi Solar Panel 108 Cells Single Glass 440W 445W 450W. Longi Solar Panel ...

LONGi is a world leader in the clean energy transition. We provide a comprehensive suite of solar PV solutions that can optimize a wide range of project applications.

The World's Leading Supplier of Solar PV Panels. ... LONGi PV Solutions . LONGi is a world leader in the clean energy transition. We provide a comprehensive suite of solar PV solutions that can optimize a wide range of project applications. Utility-Scale Solar . Renewable Power Plants.

LONGi Solar was founded in February 2000 as Xi'an LONGi Silicon Materials Corporation. The company's initial focus was on the development and production of single crystal (mono) silicon wafers that are used in many of major solar ...

The Longi 450W 72 CELL Solar Panel offers an excellent 20.7% maximum efficiency. Ideal for residential applications, Longi solar panels also feature lower resistive loss with lower operating current, higher energy

Logo on LONGi photovoltaic panels

yields and lower operating temperature. Black frame. 1.4m cable. 12 year materials and processing warranty / 25 year Extra Linear ...

Solar installers all over the world rely on LONGi panels because they are a bankable brand that keeps sustainability at its core. LONGi is part of the SMSL (Silicon Module Super League), a record-breaking ground of global manufacturers in the PV industry. Making them a brand you can trust and rely on. Global strength that drives our industry ...

They are guided by the mission to harness solar energy for a sustainable world and position themselves as the most trusted and reliable trailblazer in green technology. ... As the world's largest mono silicon panel producer, LONGi provides over 30GW of solar panels globally annually. Their specialised production division focuses on high ...

The World's Leading Supplier of Solar PV Panels. Our solar modules help accelerate the clean energy transition, making the world healthier and more sustainable.
