What is the warranty on UK solar power brackets?

UK Solar solar power ground mounted brackets are manufactured to perform to the highest British standards. 10 years British advance replacement warranty. UK Solar power roof mounted brackets are manufactured to perform to the highest British standards. 10 years British advance replacement warranty.

How do I choose the right solar mounting system?

Choosing the correct solar mounting systems is among the most critical decisions considering they have a long lifespan. Most PV modules are designed to be clamped at the quarter-points where the mounting holes typically are. This ensures optimal loading on the module frame and provides maximum static and dynamic load capacity.
