How much does a solar panel service cost?

A solar panel service will set you back around £100, but it will also prevent any possible future issues for your solar panel system, and hopefully, lead to 30 long years of solar-soaking panels. Cleaning your solar panels will also help avoid issues, and if you don't want to do this yourself, solar panel cleaning costs £100-£150.

How much does a solar maintenance package cost?

Our maintenance package ensures that your solar panels are performing to the best of their ability, maximising returns and keeping your energy bills and carbon footprint as low as they can possibly be. For a monthly fee of £22.99, solar PV owners can get full protection for solar repairs and servicing on their system.

What is a complete solar PV maintenance package?

The Complete Solar PV Maintenance Package from ESE Solar offers complete peace of mind and protection for your solar panels by ensuring that they perform to the best of their ability, and continue to give you the maximum returns and savings throughout their lifetime. Why we are the Number 1 Solar Panel Company in the UK!

How much does it cost to repair a solar panel?

If something does go wrong and your solar panels need fixing, repair costs will vary, depending on what the issue is. Small damages can cost around £80 to fix, whilst fully replacing a solar panel can cost over £1,000. There are also a few things, such as solar inverters, that may need replacing along the way.

How much does it cost to clean a solar panel?

Over time, dirt, dust and debris, along with bird droppings and other grime, can build up. This can affect the performance of your solar panels. Ideally, you should have your solar panels cleaned every six months or so. This could cost anywhere between £4 and £15 per panel.

Why should you choose a solar panel maintenance scheme?

With a solar panel maintenance scheme from ESE Solar, you can have the confidence that should a problem arise, you've got the servicing and support you need to have the issue taken care of, all whilst keeping solar panel maintenance costs low. Still need to speak to one of our Solar Specialists? We can help!
