

Rental price of rooftop photovoltaic panels

What is a solar panel rent-a-roof scheme?

The Rent-a-Roof scheme lets people who can't otherwise afford solar panels gain access to them, through installers who will setup solar panels on roofs for reduced prices. Installers can then sell any excess electricity generated back to the grid.

How much does it cost to install solar panels on a roof?

1. A range of companies (HomeSun, A Shade Greener) will install free solar panels onto your roof at no cost to yourself. Typically an installation can cost something in the region of £15,000. 2. The panels, installation, maintenance and insurance all come free as part of the package. You don't have to pay for a thing. 3.

Are solar panels paying rent for your roof?

Technically, they're not paying rent for your roof, because you'll get the benefit of powering your home using solar power instead of grid electricity. They'll make money from the electricity you don't use. All excess electricity generated is sold back to the grid via the Smart Export Guarantee (SEG) scheme.

How much do solar panels cost?

Solar PV quotes from trusted local installers 1. A range of companies (HomeSun, A Shade Greener) will install free solar panels onto your roof at no cost to yourself. Typically an installation can cost something in the region of £15,000. 2. The panels, installation, maintenance and insurance all come free as part of the package.

Can you get free solar panels on your roof?

Thanks to rising energy prices, more and more people are looking to invest in solar energy as a way of saving money and reducing their energy bills, making the prospect of free solar all the more tempting. Known as the "rent-a-roof" scheme, a growing number of companies are offering to fit and maintain solar panels on your roof for free.

Can you buy a house with rent-a-roof solar panels?

Buying a house with Rent-a-Roof solar panels could lead to mortgage complications. For example, if the lease includes maintenance cost obligations, or if there are certain access rights granted to the installer, a mortgage provider could be unwilling to lend.
