What are some European short hair trends?

**French Bob** One of my favourite European short hair trends has to be the French bob. This timeless style is often characterised by sharp ends and a relaxed wave. A wavy fringe also looks super chic with this hairstyle. Add some waves to your hair with this tool from Amika. A texture mist will help give that tousled finish.

What is a feminine short hairstyle?

**Feminine Short Haircut: Polished Style** As quoted by Riawna Capri, co-owner of Nine Zero One in LA, the polished bob marks the return of sleek, structured cuts. This immaculate hairstyle features blunt, thick lines that swap out the messy textures of yesteryears. Ideal for women with a strong sense of style and a taste for precision.

Are short haircuts trending in 2024?

Curly can still shine in a shorter length--take Samira Wiley's cut as proof. The classic length--right at the chin--and softly rounded ends give this cut such a pretty, elegant feel. Glamour Short haircuts for women are majorly trending for 2024. Here are the coolest short haircut ideas for all hair types and textures.

What are the best short hair trends for summer?

1. **Italian Bob** First up is the Italian bob. This is a stylish take on your usual bob hairstyle, which often involves more movement for a bouncy, voluminous finish. I don't know about you, but this short hair trend gives me old Hollywood vibes. If you want to have fun with your short hair this summer, this is definitely the trend to go for.

Is a short pixie a trending hairstyle?

Just about anybody has the kind of hair to turn into a short pixie cut. This is another hairstyle that's short and to the point, not to mention easy to manage. You may have noticed some Hollywood starlets like Michelle Williams and Anne Hathaway rocking the short pixie recently. It's definitely a hairstyle that's trending upwards.
