

Super large photovoltaic panel lamps

What are the different types of solar powered lighting products?

Our range of solar lighting products include smaller fairy lights and outdoor string lights, stake lights, lampposts and even novelty themed lights. So, if you 're looking for a subtle twinkle, or need to illuminate a pathway, then we will have the perfect solar powered lighting solution for you.

Are solar powered garden lights a good choice?

An eye-catching and energy-savvy choice, solar powered garden lighting is the smart way to illuminate your outdoor space. What's more, solar lanterns and lights are easy to install, with no need for unattractive wiring or outdoor plug sockets.

What are solar path lights & spotlights?

Our staked solar path lights and spotlights are a great way to create pathways as an alternative to steps and stairs, helping you get around your garden at night with ease. They're just the thing to welcome guests arriving to your home in the evening - and they'll save you from having to fumble about in the dark for your door keys.
