Do TV cabinets have built-in storage?

Many TV cabinets have handy built-in storage with drawers, cupboards and shelves, making them perfect for keeping clutter out of sight. Whether you're looking for a media unit to position your TV on, one to sit under a wall-mounted TV, or a place to house set-top boxes and DVD players, we have you covered.

How do I choose a TV storage unit?

Selecting the perfect TV storage unit is about finding a balance between form and function. Consider the size of your room and the dimensions of your television when browsing for TV wall units. A unit that's too large can overwhelm a small space, while one that's too small may not provide the impact or utility you're after.

Do TV stands have built-in storage options?

For those needing extra storage, our TV stands with built-in storage options help keep your media equipment organised and out of sight. Whether you want to put a low media unit in your living room or need to style a slim end of bed television stand Homebase has you covered.

Do Homebase TV units have drawers?

At Homebase our units come with a variety of storage, including drawers to ensure you have all the space you need to neatly hide away any of your entertainment essentials and display your favourite ornaments. Found your ideal television stand?

Do you need a stand or cabinet for a TV unit?

We've come a long way from black-and-white TV units to games, on-demand movies and 3D. One thing hasn't changed - needing a stand or cabinet for the TV unit. Our selection helps cut the clutter, manage cables and get things prettied up. So you can relax on your sofa and enjoy your TV, even when it isn't on.

How to choose a TV wall unit?

Opt for a unit with ample compartments and shelves to house your devices, media collections, and decorative items. Moreover, think about cable management solutions. The right TV unit with storage should offer discreet ways to keep those unsightly cords out of view. A TV wall unit is a focal point that can transform the feel of your living area.
