

Will insurance cover stolen photovoltaic panels

Does homeowners insurance cover solar panels?

Usually, homeowner's solar insurance packages cover all types of solar panels: monocrystalline, polycrystalline PV, or thin film solar panels. The insurance protects your solar rooftop against common risks, such as fire, hail, lightning, storm damage, or theft. The claim limit for solar panel coverage varies depending on the policy.

What is solar panel insurance & how does it work?

Solar panel insurance shields homeowners from financial losses due to damage, theft, or other unforeseen events affecting their solar energy systems. Let's dive into solar panel insurance in the UK and see how it can keep your roof (and your bank account) happy. What is not covered by solar panel insurance?

Does solar panel insurance cover injuries or property damage?

Liability for injuries or property damage: Solar panel insurance typically includes liability coverage, protecting the policyholder if the solar panels cause injuries or damage to other people's property. This coverage is crucial for safeguarding against potential legal claims and associated expenses.

Will my insurance cover a photovoltaic system?

Contact your insurer and ask whether your policy includes a photovoltaic system, preferably before you have the panels installed. Even if you're absolutely sure you'll be covered, you still need to notify your insurer.

Are solar panels included in buildings insurance?

Most providers include solar panels in buildings insurance, treating them as part of the fabric of your home, just like the doors, floors, and walls. However, these policies can be insufficiently comprehensive, unless you pay extra. This means you can often attain a better level of cover if you get solar panel insurance separately.

How much does solar panel home insurance cost?

The annual cost of solar panel home insurance ranges from £118 to £152, which seems reasonable compared to the potential risks. Once you decide to install solar panels, inform your home insurer. Solar panels contribute to rebuilding your home's value, so it's important to list them in the insurance coverage.
