

Yingli photovoltaic panel 270

Who is Yingli in solar panels?

Yingli is a leading Chinese manufacturer of solar PV modules. We have chosen Yingli Solar Panels for our complete systems due to their module quality, performance, and company financial health and stability. Yingli is one of the leading solar panel manufacturers in China.

What is Yingli Solar power rating?

The positive power rating for Yingli solar panels is listed at 0/+5 W, meaning that the panels will not produce less than their power rating but they might produce as much as 5 W more than their highest rated wattage.

What is the Yingli Solar warranty?

Are Yingli YL270P-29b solar panels reliable?

The thermal performance of the YL270P-29b solar panels from Yingli ensures their reliability and efficiency across varying temperature conditions. These panels are designed to operate optimally within a wide operating temperature range of -40~85 °C.
